About Me

Second year undergraduate student interested in videography, animation and general arts with an incorporation with computer programming. Outside of school I am a circus artist dedicated to sharing the arts, with a specialty in tightwire. Known for skills in leading and strong initiative in group settings.

Experience

MARCH 2021 - PRESENT

Teaching Artist | Fern Street Community Arts, Inc.

- Suggested and offered specific training programs to help students maintain or improve performance skills.
- Monitored progress towards goals, tracked results, and reported findings.
- Mentored students in developing their own unique style of performance art.
- Prompted student motivation, participation and listening skills through positive reinforcement and weekly recognition.

MARCH 2021 - PRESENT

Performing Artist | Fern Street Community Arts, Inc.

- Implemented creative ideas into performances based on director's vision.
- Collaborated with other performers to create group routines that showcased individual talents.
- Adapted quickly to changes made by directors or producers during rehearsals or shows.
- Provided feedback on lighting cues, sound levels, background music selections.
